algebra. Please contact the Advising Office as soon as possible to obtain approval to schedule the ACCUPLACER placement test. The Advising Office can assist you in scheduling the tests you need. You may email them at <u>advising@volstate.edu</u> or you may call them at 615-230-3702. The results of the tests will determine if you will be required to take any remedial/developmental courses prior to any college level courses.

Please declare your major as Health Sciences A.S. with emphasis in HIM. Once you are accepted into the HIM Program your major will be updated to Health Information Management, A.A.S.

Minimum criteria to be considered for OFFICIAL acceptance into the HIM program:

Any developmental/remedial courses must be successfully completed to be considered for admission into the Program.

Successful completion of the following courses (

):

HIMT 1301 - Introduction to Health Information Management INFS 1010 - Microcomputer Literacy & Applications BIOL 2010 - Human
